

IN THE SENATE | 2017

1. PRESIDENTIAL SUPPORT Percentage of recorded votes cast in 2017 on which President Donald Trump took a position and on which the senator voted “yea” or “nay” in agreement with the president’s position. Failure to vote does not lower an individual’s score.

2. PARTY UNITY Percentage of recorded votes cast in 2017 on which a senator voted “yea” or “nay” in agreement with a majority of his or her party. (Party Unity votes are those on which a majority of voting Democrats opposed a majority of voting Republicans.) Percentages are based on votes cast; thus, failure to vote does not lower a member’s score.

3. PARTICIPATION Percentage of recorded votes cast in 2017 on which a senator was eligible and present, and voted “yea” or “nay.” There were a total of 325 such recorded votes.
